DECISION ON RENEWED PETITION UNDER 37 CFR 1.182

In a decision mailed by this Office on 10 June 2005, applicants' petition to correct the name of the inventor identified in the international application as Atsushi TSUBOI to Atsushi TANAKA was dismissed without prejudice for failure to satisfy the requirements for a grantable petition. Specifically, the petition did not state "the procedure whereby the change of name was effected" (i.e., marriage, etc.), and it was not accompanied by a "certified copy of the court order" relating to the name change.

On 12 September 2005, applicants filed the renewed petition considered herein, with required extension fee. The renewed petition includes a statement that the change in the inventor's name resulted from the inventor being adopted. The submission includes a copy of a Japanese court order (with English translation) confirming the adoption. These materials, in combination with the previous submission, satisfies the requirements of a grantable petition.

CONCLUSION

The petition under 37 CFR 1.182 is **GRANTED**.

The name of the inventor identified in the international application as Atsushi TSUBOI is corrected to Atsushi TANAKA

Based on the correction of the inventor's name, the declaration submitted by applicants on 21 March 2005 can now be accepted under 37 CFR 1.497.

The application is being forwarded to the National Stage Processing Branch of the Office Of PCT Operations for further processing in accordance with this decision. The date under 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) is 21 March 2005.
